Square

Music: own tune: Crooked Stovepipe Folkraft 1154a

Two head ladies forward and back

Forward again with an elbow swing

Six hands round, while they swing

Six hands round with the pretty little thing

- - - Break that ring and everybody swing

Everybody swing your partner and

Listen to the call

It's allemande left your corner,

You allemande right your own

Now dosado your corner and dosado your own AND

you swing your little honey you swing where you begun

- - - Let's have some more fun (and here comes some more fun)
