

gimmick: arches

Cultural Capital* Quadrille

Philippe Callens 1993 BYC 20

Square no partner change

A1 first couple separate, go nearly all the way around the outside; join the sides and make two lines of three (16) (lady 1 will join couple 4, gent 1 will join couple 2 nearest home)

A2 forward six and back (8)

those six turn opposite once around with a two-hand turn and make three arches (8)

B1 third couple go down the center (under the arches)(8)

third couple separate and go halfway around the outside to place, while the other six swing partner (8)

B2 all promenade partner once around the square (16)

Sequence: repeat three more times, each couple in turn leading the figure with their opposites going under the arches.

**Antwerpen, Philippe's hometown was European Cultural Capital in 1993*
