

First Night Quadrille

Bob Dalsemer

2014 FRU*Square no partner change*

A1 head couples forward and back; same four circle left .

A2 same four circle right; same four right hand star to corner

B1 all allemande left corners; grand right and left.

B2 do-sa-do partners; promenade partners home.

Repeat for side couples, then all four ladies and all four gents. The transition from star to grand right and left is a challenge for beginning square dancers and provides an opportunity for the "team" to be successful. Introduction and ending are caller's choice.
