

The Weaver (Weevil)

unknown to me

Music: Come and See Me

7 Dancers: 4 dancers on the callers right; 3 on his left offset between the 4

A1 the 3 dance across between 2 opposite dancers and to the right around 1 then back to center of the set between the same 2 dancers and to the left around 1

16 the 3 dancers give right hands to opposite diagonally right (first person they circled) and change places. now the new 3 (on the caller's left) give left hands to opposite diagonally left and change places. repeat right and left. (each dancer will have moved clockwise 2 places – the neighbors will be the same -)

16 starting at the top of the set each dancer steps to the center of the set in sequence and hold hands (2 beats per person) on 15+16 all step back making arches.

16 *starting at the top without letting go of hands all go thru the arches and turn 1st right, 2nd left, 3^d right etc and continue to progressed places.*
